IMPERFECTLY PERFECT. HUMAN
CONNECTIONS ARE AT THE HEART OF
ALL WE DO. WE EMBRACE THE BEAUTY
OF DIFFERENT CULTURES. WE CHOOSE
PASSION OVER POWER. THE DETAILS
MATTER. WE ENCOURAGE FREEDOM OF
EXPRESSION. DESIGNED IN-HOUSE,
HONOURING RAW, HONEST MATERIALS.
INSPIRED BY MARRAKECH LIFE.
CELEBRATING THE UNIQUENESS OF
BEING HANDMADE. EVERYTHING WE
DO IS AN EXPRESSION OF ART. STRANGE
SERENDIPITY GUIDES US. THERE IS
ALWAYS A STORY. THIS IS OUR CREDO.

Made by Hand Made by Women

On the road to the Atlas Mountains, just beyond Marrakech, lies a small village where a close-knit community of women handcrafts our crochet lamps in their homes.

Each piece is created using traditional crochet techniques passed down through generations, a practice rooted in patience, rhythm and care. Through this ongoing partnership, the craft is not only preserved but continues to provide meaningful, sustainable income for the women and their families.

Every lamp carries the mark of the hands that made it, a considered balance of heritage and contemporary design.

Two collections, defined by form and presence.

Malika

Collection

The Malika collection draws on the everyday forms of Moroccan life, translated into soft, sculptural lighting defined by fluid lines and textured presence, designed to adapt through scale and colour.

Colour Palette

Drawn from the textures and tones of Morocco - clay walls at dusk, desert sand, olive groves and mountain stone.

The palette moves between grounding neutrals and more expressive hues, allowing each piece to settle into a space or introduce contrast and presence. The result is a balance of restraint and richness.

Standard lamps in a single colour can be ordered via our website. Custom colour compositions are available upon enquiry.
